

EVERY AUGUST UNTIL A CURE

Motor Neurone Disease Association of South Australia (MND SA) need YOU

to feel the freeze or eat delicious treats.

Every August Until a Cure combines the ice bucket challenge with other fundraising events in South Australia throughout the month to:

- Increase awareness of Motor Neurone Disease (MND) and its impact on the South Australian community.
- Raise \$200 000 to continue providing support and care to South Australians living with MND.

Iconic South Australian company Vili's are baking delicious donuts for MND SA.

Host a morning tea for MND and purchase Vili's iced blue donuts.
Baked to order and available on Thursdays.

Orders must be placed no later than Monday of the week that you would like the donuts.

Call 8234 8448 or email fundraising@mndasa.com.au to place an order.

Pick up from MND SA 302 South Road Hilton 5033.

Donuts are \$3 each or:

3 x \$8

6 x \$16

20 x \$55

50 x \$140

Payment can be made via credit card or direct deposit.

Motor Neurone Disease (MND) is a degenerative disease in which nerve cells (neurons) controlling the muscles rapidly weaken creating disability and a need for support. MND SA provide information and support services, loan communication devices and promote research into the cure and treatment of MND.

MND SA is a vital resource for those in South Australia diagnosed with MND and their loved ones.

Are you brave enough?

Choose a date to feel the freeze then set up your Everyday Hero page so that people can donate. It's easy! everydayhero.com.au/event/ibc2015

Fill a bucket with ice and water.

Get a friend to film you and state the facts:
"Hi I'm A. Legend and I am raising money for MND SA."

Brace yourself. Tip the water over your head.

HOT SHOWER STAT!

Upload the video to Facebook, Instagram, YouTube, or Twitter. The best videos will be uploaded on the MND SA website and YouTube channel.
